Dear Child Care Provider,

This letter is in regards to the 10/10/14 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(8) Children's Files. **I am enclosing a copy of the sheet that identifies which children are missing what items. You did place the files that need updating on the dining room table to get the parents to sign the forms today or when they bring in the children.**
- ☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
 - ☐ 110.5(8)b Emergency information including where the parent can be reached, the name, **street address, city and telephone of the child's regular doctor**, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
 - ☐ 110.5(8)c A signed medical consent from the parent authorizing emergency treatment.
 - ☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.
 - ☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations by 12/1/14.**

☐ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 12/1/14
